

AILES BURY | ASHBURY  
PRIVATE NURSING HOMES

## WELCOME

Our mission in ANH Healthcare is to create and provide an environment where our residents are supported to live with quality, and equality, dignity and safety. We will ensure that our residents are respected and that their life experiences and life achievements are acknowledged and valued, what ever they may be for each individual resident.

Our staff are an integral part of ensuring that we achieve and fulfil this mission.

We aim to provide a working environment for our staff that encourages personal and professional growth, where we recognise staff talents and expertise, where staff feel a sense of reward and recognition for their achievements, an environment where staff feel valued for the work they do, an environment where team spirit is at the very heart of the staff experience, and an environment and where can enjoy work feel their contribution matters.

Each member of ANH, whether a staff member or resident, are welcomed into the wider family of Ailesbury and Ashbury Nursing Homes.

Registered nurses, qualified nurses seeking Irish Registration and Healthcare Assistants are required for both:

**Ailesbury Nursing Home** (Sandymount)  
& **Ashbury Nursing Home** (Blackrock).

We offer:

-----  
Full induction and training programme

-----  
Excellent competitive package (enquire for further details)

-----  
Mandatory training fully paid for by us, and we strongly encourage and support staff to develop their skills and training while working with us.

-----  
Educational support provided up to and including a Masters qualification.

-----  
Highly competitive rates of pay

-----  
Access to many discounts through affinity schemes (pharmacy, entertainment, finance)

-----  
Accommodation available

-----  
Opportunity to make a personal and professional difference!  
-----
